What's happening

School Updates

2018 has indeed been a eventful one for all 3 schools in the village, and another exciting year beckons as another batch of students begin their journey as a Saint, be it at the Primary, Secondary or Junior College.

The holiday period has seen the schools undergo some various upgrading works, notably the new indoor sports hall, secondary school canteen and re turfing of the rugby field in the Junior and Secondary School Campus.

Alumni Happenings - Past Vs Present

On 8 December 2018, rugby champions of the past gathered to play against the champions of tomorrow in the annual past vs present games.

This year's games were played at St Andrews Junior College and saw the Over 35 age group and Under 35 Age groups come up tops, a case of experience over youth it could be said.

It was a great afternoon of fellowship and good sportsmanship by all, witnessed by the Guest of Honour for the event, Mr Yee Teck Peng, apt as he coached a good number of those on the pitch that day!
